YONGKANG JIAYI INDUSTRY& TRADE CO., LTD

ABOUT US

RELIABLE MANUFACTURING, STABLE SUPPLY

JIAYI POWER is based in Yongkang City, Zhejiang Province. Our vision is to be the "Hidden Dynamics Expert" and the "Co-Development Partner" of choice for global benchmark brands. Whether for offline retail giants or e-commerce sellers, we are committed to "growing together" with our clients, exploring new frontiers in the outdoor power tools landscape through continuous product innovation.

MANUFACTURING CAPABILITY

Standardized production lines support stable and efficient manufacturing.

QUALITY CONTROL

Robust quality control — from material to finished product — ensures every machine delivers consistent performance.

SUPPLY CHAIN SUPPORT

Integrated supply chain coordination ensures flexible and timely delivery.

R&D POWER

JIAYI POWER

We are deeply focused on innovation in outdoor power tools. Our R&D team, which has a high concentration of technical talent, is led by two young founders: a passionate mechanical creator, and a 3D sculptor graduate from the University of the Arts London. Together, they drive our mission to develop more reliable and practical outdoor garden solutions with spatial thinking and aesthetics design.

Our R&D process integrates product design, structural optimization, and the iterative matching of motors, controllers, and metal components — enhancing usability from performance to appearance.

Big demands don't scare us. They shape us. We learn and grow stronger — from every challenge and every chance to show what we can do.

DEVELOPMENT HISTORY

2020 ESTABLISH

Founded in Yongkang City, Zhejiang Province. A passionate start from scratch

2021 START CREATING

Developed our first own-mold electric chainsaw in 2021, which quickly became one of the top bestsellers on Amazon in both the United States and Europe

2022-2023 VISION LAUNCH

Set the strategic focus on manufacturing outdoor power tools, expanding into a full range sizes chainsaws and extending created into other garden tool series. During this period, we also introduced standardized production lines.

2024 EXPANSION

Our R&D team expanded & Attend the Cologne Hardware Fair. Grew our offline market presence in Europe, achieving a 50% increase in sales revenue. And advanced 5S production management system

2025 INNOVATION DIVERSIFICATION

Committed to our core field, we successfully developed a vision-system Robotic mower. Marking our entry into AI-powered tools. Strength-

ment system meanwhile

2026 SUSTAINABLE SCALING

we continue to move forward as a year of high-speed innovation, with an increasingly mature and well-integrated collaborative mold development chain

JY-CH1201 CE FC UL

12" CHAINSAW

MODEL

RATED VOLTAGE/电压	21V
CHAIN SPEED /链速	10m/s
GUIDE BAR/导板	12"/16"
MAXIMUM CUTTING DIAMETER /有效切割	280mm/350mm
OIL TANK CAPACITY/油壶容量	120ml
BRAKE/刹车	ELECTRONIC BRAKE
MOTOR/电机	BURSHLESS

QUICKADJUST

**AUTOMATIC
OIL PUMPING**

ADVANCED TOOL-FREE TENSIONING TECHNOLOGY
